

Admissions Policy 2018-19

PLACES FOR 3 AND 4 YEAR OLDS

All children are entitled to access free nursery education on a part-time basis (15 hours per week) from the beginning of the term after their third birthday.

Some children will be entitled to 30 hours of Early Education and Childcare. Parents of three and four year olds will need to meet the following criteria in order to be eligible for 30 hours free childcare and education:

- They earn or expect to earn the equivalent to 16 hours at National Minimum or Living Wage over the coming three months.
- This equates to £131 a week (or c.£6,812 a year) for each parent. This applies whether you are in paid employment, self-employed or on zero hours contract.
- The parent (and their partner where applicable) should be seeking the free childcare to enable them to work.
- Where one or both parents are on maternity, paternity, shared parental or adoption leave, or if they are on statutory sick leave.
- Where one parent meets the income criteria and the other is unable to work because they are disabled, have caring responsibilities or have been assessed as having limited capability to work.
- Where a parent is in a 'start-up period' (i.e. they are newly self-employed) they do not need to demonstrate that they meet the income criteria for 12 months.
- If a non-EEA national, the parent must have recourse to public funds.

A parent will not meet the criteria when:

- Either parent has an income of more than £100,000
- Either parent is a non-EEA national and subject to immigration control (and has no recourse to public funds)

If a parent loses eligibility:

- They will receive a "grace period" – this means they will be able to keep their childcare for a short period.
- Once the "grace period" has lapsed, the parent may be entitled to the universal 15 hour entitlement.

Our main intake is in September. To apply for a place parent/carers need to return an application form on or before the closing date which is the last day of April. Application forms can be collected from the school office, downloaded from the school website or we can post them out on request.

Session timings and options will be reviewed each year to reflect the needs of our community. Details of options available will be published on our website or can be gained through contacting the school directly.

After the closing date all applications will be considered.

If the school has enough places for all of the children applying, then they will all be offered a place. However, if there are more applicants than places the following process will be followed.

Applications will be split in to 30 hour and 15 hour applications. We will offer a balance of 15 hour and 30 hour places across the Nursery. For the purposes of this exercise children that are entitled to 30 hours but only wish to take the 15 hour option at St Giles Nursery School will be considered '15 hour places'.

Both the 15 hour applications and the 30 hour applications will be allocated places in the same order using the following priority criteria:

1. All looked after and all previously looked after children
2. Children who have an Education and Health Care plan
3. Children with a 'Child in Need Plan' or a 'Child Protection Plan'
4. A brother or sister attending St Giles Nursery school at the time of application who will still be attending at the expected time of admission
5. Children who will be taking either a full 15 hours or a full 30 hours entitlement with us
6. Closest distance from home to St Giles Nursery School (measured using google maps driving distance)

Once all 15 hour places and 30 hour places have been allocated, if any spaces remain they will be offered to the outstanding applicants in the other group continuing to use the criteria above until all applicants have a place or the school has reached its maximum admission number. If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

In the event that one 15 hour session (e.g. mornings) has more applicants than places but we still have other 15 hour sessions available, children who meet criteria 1-3 will be offered a place first then all remaining children will be entered in to a ballot for the remaining available places. This gives each and every child an equal chance of being allocated a place for the session that they requested. All applicants' names will be placed in a box and will be drawn out and recorded one by one until all session places have been filled. Twins will be treated as one application for the purposes of the ballot to ensure they can attend the same session times. The ballot committee will consist of the Head teacher, Admissions Officer and a member of the Governing Body. Applicants who were not successful in the ballot will receive an offer of a place in the alternative available session.

We will retain a list of unsuccessful applicants and in the event of spaces becoming available during the academic year, they will be offered from the waiting list in line with the admissions criteria given above.

Should parents/carers turn down an offer of a place due to it not being their preferred session, their child's name will go on a waiting list for consideration if a vacancy arises during the year. However, if a child is already attending the Nursery (having accepted a place even though it was not their preferred session) then that child will be offered the vacant place first.

If there are places remaining after the initial allocation for the start of the school year in September, these can be offered to children who become three years of age on or after September 1st and will be offered in line with admission criteria as set out in this policy.

- Children born between September 1st and December 31st may be offered a place from January.
- Children born between January 1st and March 31st may be offered a place from April.

Applications will be considered based on time of receipt. Once we have made an offer we can consider withdrawing the place in the following cases:

- Where a fraudulent or intentionally misleading application led to an offer of a place. For example, a false address was given which denied a place to a child with a stronger claim.
- Where parents/carers do not respond to our offer or any of our follow-up letters.
- Where an error has led to an offer of a place.

ADDITIONAL NOTES

The Governors and Head teacher of the school are responsible for publishing this policy. Parents and Carers should contact the school for more details.

There is no legal requirement that nursery children must have a place in a class or school and as such, there is no right of appeal against a decision not to offer a child a place at a particular nursery school or class.

Attendance at the nursery will not guarantee admission to any Reception class and does not give advantage to the child's application to any Reception class.

A separate application for admission to Reception class will always have to be made.

Lincolnshire County Council has an inclusive education policy and children will not be discriminated against as laid down by the Sex Discrimination Act 1975, The Race Relations Act 1976 as amended by the Race Relations (Amendment) Act 2000, The Human Rights Act 1998 and The Special Educational Needs and Disability Discrimination Act 2002. This includes reasons such as:

- Developmental delays, e.g. a child's self-help skills are delayed affecting activities such as dressing, feeding or toilet training.
- Additional educational needs, including emotional or behavioural difficulties.
- Physical or sensory impairment.

Looked after and post looked after: Definition

Sometimes referred to as child in public care, a looked after child is a child in the care of the local authority or is provided with accommodation by a Local Authority in accordance with section 22(1) of the Children's Act 1989, at the time of application. Previously looked after children are children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order.

Children in Need: Definition

Section 18 (10) Children Act 1989 says that a child is defined as being in need if:

- a) he is unlikely to achieve or maintain, or to have the opportunity of achieving or maintaining, a reasonable standard of health or development without the provision for him of services by a Local Authority under Part III of the Children Act 1989, or
- b) his health or development is likely to be significantly impaired or further impaired, without the provision for him of such services, or
- c) he is disabled.

In practice any child who meets the following criteria should be regarded as a Child in Need:

- Those referred by Social Services, with particular reference to those considered to be at risk in terms of child abuse
- Those with a Child in Need Plan
- Those with a Child Protection Plan

Brother or sister attending the school at the time of application, or who will be attending the school at the expected time of admission.

In all cases both siblings must live at the same address.

A sibling is defined as;

- a brother or sister who shares the same biological parents
- a half-brother, half-sister, step-brother or step-sister
- a legally adopted child,
- a child legally adopted by a biological or step-parent

Home Address

By home we mean the address where the child lives for the majority of term time with a parent as defined in section 576 of the Education Act 1996 who has parental responsibility for the child as defined in the Children Act 1989.

Where a child lives normally during the school week with more than one parent at different addresses, the home address for the purposes of school admissions will be the one where the child spends the majority of term time. If a parent can show that their child spends an equal amount of time at both addresses during school term time, they can choose which address to use on the application.
