Make a sock outfit for your teddy.

1. Cut the sock in half, across the middle.

2. Use the piece with two holes first (leg end and new middle cut end). Cut a small hole on one side, large enough to fit on your teddy's arm. Cut another small hole on the opposite side, again of a size to fit the arm. These should be in the same place, only on opposite sides.

3. Pull the jumper created in (2) over the teddy body and put the other piece on teddy's head as a hat.
